## RANGE HEATING

- Gas burners and electric elements can be described as "open" or "closed".
- Open tops, applying flame directly to the bottom of the pot, generally offer fast heat-up, but slow clean-up. Spills can fall directly on the burner or below, causing you to move or remove parts of the range to reach the mess.
- A closed burner or element seals the heat source under a glass, ceramic or metal cover, presenting a smooth surface for easy cleanup.
- Manufacturers commonly allow the user to specify a combination of burner or element configurations that best suit their specific needs.

### AllPoints - Economy Portable Griddle Tops

- Works equally well on gas, electric or induction ranges, open fires and outdoor grills
- Stores in oven
- Made from 7 gauge steel
- Sturdy fold-down handles and easy pour corners

SALE/EA

76-1147	2 Burner, 14" x 23"	<b>\$55.99</b>
76-1155	4 Burner, 23" x 23"	<b>\$115.00</b>

### Control your heater/proofer cabinets.

Cabinet controls may be manual or electronic; in the latter case, a multiple timer-setting capability is available. On some models, electronic control systems can monitor up to six, independent timers for each compartment, to facilitate "first-in, first-out" product rotation. A food rotation system can also make your operation more efficient and will cut down your risk of foodborne illness outbreaks. To learn more visit: [www.energystar.gov](http://www.energystar.gov)

### Win-Holt - Non-Insulated Heater/Proofer

- Heavy duty aluminum construction
- Air baffle and circulating air blower provides even heat distribution
- Dual proof/heat control: "Proof" mode: Humidity from 30% - 100%, temps up to 115°F
- Heat mode: Nominal temps up to 185°F
- Easy to read LED thermometer
- Clear door
- Corner bumpers protect walls and unit
- 5" casters w/brakes
- 120V

## Pitco - Solstice™ Gas Fryers with SpinFresh™

- Stainless steel tank, front, door, side, and splashback
- New SpinFresh™ feature conserves oil, reduces sodium, delivers better taste and quality
- Innovative round basket utilizes the spinning mechanism to produce centrifugal cooking
- Excess oil or water spins off while the food continues to cook via convection from the heat

SG14S-SPINFRESH 40-50 lb Oil Capacity, 110,000 BTU **\$8250.00**

## Pitco - Solstice™ Supreme Gas Fryer with SpinFresh™

- Stainless steel tank, cabinet, front, doors and sides
- Solstice™ burner technology, no blower or ceramics
- Self cleaning burner
- Saves energy with lower gas usage
- Solid state t-stat with melt cycle and boil out mode
- New SpinFresh™ feature conserves oil, reduces sodium, delivers better taste and quality
- Innovative round basket utilizes the spinning mechanism to produce centrifugal cooking
- Excess oil or water spins off while the food continues to cook via convection from the heat

SSH55S-SPINFRESH 40-50 lb Oil Capacity, 80,000 BTU **\$8953.00**

## Pitco - Tube Fired Gas Fryers

- Stainless steel tank, cabinet front and door, galvanized sides and back
- Standing pilot light and thermostat maintain selected temperature automatically between 200° and 400°F
- Flue deflector
- Stainless steel heat baffles
- Two baskets with removable hanger
- Drain extension and clean-out rod
- 6" adjustable legs

35C+S 35-40 lb Oil Capacity, 3 Tube, 90,000 BTU **\$720.00**

40D 40-45 lb Oil Capacity, 4 Tube, 115,000 BTU **\$820.00**

45C+S 42-50 lb Oil Capacity, 4 Tube, 122,000 BTU **\$1130.00**

65C+S 80 lb Oil Capacity, 5 Tube, 150,000 BTU **\$1250.00**

## Pitco - Solstice™ Built-In Filter Drawer

- The filter drawer is designed to fit under the fryers so no extra floor space is required
- The filtration system consists of an extra large 3" round drain line, 8 gallon per minute oil pump and 1/2" dia return lines
- Easy two-step filtration
- Includes filter powder, paper envelope, brush, fryer and filter scoops

FD Filters up to 6 Models **\$5234.00**

## AllPoints - Jet Force Gas Connector Kits & Hoses

- Hose is stainless steel corrugated tubing encased in stainless steel braid
- One-piece construction (no weld)
- Tough, flexible and corrosion-resistant
- Limited lifetime warranty
- Kit includes gas connector, quick disconnect, restraining device, ball valve and (2) 90° street elbows

32-1634 Gas Hose, 3/4" dia x 48" **\$99.00**

32-1647 Gas Connector Kit, 3/4" dia x 48" **\$155.00**

## R. F. Hunter - Fryer Filtrator

- Stainless or nickel plated steel parts
- Includes 50 filter paper envelopes, pre-filter and 25 packs of filter powder
- Heavy duty 1/2 hp motor
- Equipped with heavy duty switch, oil proof lead wire cord

ECCO ONEP For Drain Type Fryers, 65 lb Oil Capacity **\$1659.00**
